## NOTICE

Students of B.Tech. I-I (Sections 1 to 50) and M.Sc (C & OC) I-I who attended the R25C25 Regular Summative Assessment during January 2026 may note that the evaluated answer scripts will be made available to them online for verification before the announcement of the Final results. All the students have to go through the answer scripts and can apply for revaluation online. After revaluation the Final results will be announced.

**The procedures of recounting and revaluation after the announcement of the results are discontinued henceforth.**

The following are the guidelines:

- After completion of the assessment in a course, information will be given to students through SMS or WhatsApp about availability of the evaluated answer script in student login for verification.
- Student after verification, can apply for re-valuation. He / she can record his / her remarks also after applying online.
- Verification of answer script / provision for applying for revaluation will be available for ‘two days’ only.
- Rs. 1000/- is to be collected as fee for revaluation in a course.
- Due to any reason, if the student could not apply for revaluation during the **given 2 days** window on 3<sup>rd</sup> day he/she can apply for revaluation in physical mode by submitting a proper application at examination section in-person. A fee of Rs. 1200/- (Rs. 1000/- + Rs. 200/-) should be collected for each course. Beyond 3<sup>rd</sup> day the revaluation requests will not be allowed.
- This collected fee amount may be refunded to the student if the marks difference before first and final valuation is more than 15% of the maximum marks i.e., 9 out of 60 marks.
- The following notations will be followed while announcing the revaluation results.
  - ‘No change’ in revaluation result if the marks after revaluation are less than the 1<sup>st</sup> valuation.
  - ‘No change’ in the case of students who are in ‘I Grade’ even after revaluation.
  - For candidates who are not in ‘I Grade’ and whose marks after 2<sup>nd</sup> valuation is more than the 1<sup>st</sup> valuation the new marks will be mentioned in the results notice.

**Last date to apply for Re-Assessment: 09.02.2026**

Subject: About a Company which is under Construction.  
Hello Sir! Our team is ready to work as per our Schedule. but we have just found out that the site is contaminated with asbestos. so, we have to take quick action by bringing cranes to remove asbestos. If we can't will not do this work in time, the work will not be completed in time. Then we will have to face consequences from the owner of the Company. There is another problem, that is the workers are very less. So, we have to increase the workers for construction Company and we have very less time. So,
